**I always advise  
people never to  
give advice.**

**The only good thing to do with good advice is pass it on; it is never of any use to oneself.**

<sup>9</sup>Let love be genuine; hate what is evil, hold fast to what is good;<sup>10</sup>love one another with mutual affection; outdo one another in showing honour. <sup>11</sup>Do not lag in zeal, be ardent in spirit, serve the Lord. <sup>12</sup>Rejoice in hope, be patient in suffering, persevere in prayer. Contribute to the needs of the saints;

extend hospitality to strangers. <sup>14</sup>Bless those who persecute you; bless and do not curse them. <sup>15</sup>Rejoice with those who rejoice, weep with those who weep. <sup>16</sup>Live in harmony with one another; do not be haughty, but associate with the lowly; do not claim to be wiser than you are.

<sup>17</sup>Do not repay anyone evil for evil, but take thought for what is noble in the sight of all. <sup>18</sup>If it is possible, so far as it depends on you, live peaceably with all. <sup>19</sup>Beloved, never avenge yourselves.

Inspires.  
Sustains.  
Drives.**

Then Jesus told his disciples, "If any want to become my followers, let them deny themselves and take up their cross and follow me. <sup>25</sup>For those who want to save their life will lose it, and those who lose their life for my sake will find it. <sup>26</sup>For what will it profit them if they gain the whole world but forfeit their life? Or what will they give in return for their life? <sup>2</sup>

**LOVE**

The word "LOVE" is written in a highly stylized, glowing font that resembles molten lava or fire. The letters are thick and have a textured, almost crystalline appearance. The color palette transitions from deep reds and oranges at the edges to bright yellows and whites in the center of the letters, giving them a sense of intense heat and energy. The background is dark, which makes the glowing text stand out prominently.
